The Renaissance and Reformation: A History in Documents

By Merry E Wiesner

Oxford University Press Inc. Paperback / softback. Book Condition: new. BRAND NEW, The Renaissance and Reformation: A History in Documents, Merry E Wiesner, At first glance, the Renaissance and the Reformation--two movements (one cultural, one religious) that defined Europe from 1400 to 1600--may appear to be polar opposites. The Renaissance found scholars and artists celebrating the beauty and splendor of the material world, while the Reformation saw Protestant and Catholic religious leaders and their followers focusing on eternal salvation. However, there were actually striking similarities between these two worlds. For instance, while both Renaissance artists and Reformation pastors originally desired a return to a "golden age" of the past, they both ended up creating something very new instead. In The Renaissance and Reformation, Merry Wiesner-Hanks allows the historical participants to tell their own stories. She presents a mix of visual sources and written documents not only from learned scholars, trained artists, university-educated religious reformers, and powerful political leaders--but also from more ordinary men and women. Leonardo da Vinci considers the merits of painting versus poetry in his notebook, while the Italian diplomat Baldassar Castiglione recommends the pastime of music-making to gentlemen in his book The Courtier. A group of small-time...
