Brand New Book ***** Print on Demand *****.Excerpt from Journal of the Franklin Institute of the State of Pennsylvania and Mechanics Register, Vol. 1: Devoted to Mechanical and Physical Science, Civil Engineering, the Arts and Manufactures, and the Recording of American and Other Patented Inventions The Committee will endeavour, at the earliest possible date, to procure such notices of the various manufacturing establishments, machine shops, c. of Philadelphia, as may serve to give an idea of the state of industry in the city, without bringing individual interests into conflict, and would invite the contribution of similar notices from other parts of the Union. They again urge mechanics to contribute practical matters to the journal, and thus to render their knowledge conducive to the general progress of the arts in which they are interested. Besides the view given of the progress of mechanical science by original articles and selections from journals at home and abroad, the Committee are promised notices and abstracts, exhibiting this progress in a more condensed form, by John C. Cresson, Professor of Mechanics of the Institute. Original articles in chemical and...
