

## High Price: Drugs, Neuroscience, and Discovering Myself

By Carl Hart

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, High Price: Drugs, Neuroscience, and Discovering Myself, Carl Hart, "High Price" by Carl Hart is a groundbreaking work on neuroscience and addiction. As a youth, Carl Hart didn't see the value of school, studying just enough to keep him on the basketball team. At the same time, he was immersed in street life, dealing drugs and committing petty larceny. Today, he is a cutting-edge neuroscientist whose landmark, controversial research is redefining our understanding of addiction. In this provocative and eye-opening memoir, he recalls his journey of self-discovery, how he escaped a life of crime and drugs and avoided becoming one of the crack addicts he now studies. Interweaving past and present, Hart goes beyond the hype as he examines the relationship between drugs and pleasure, choice, and motivation, both in the brain and in society. His findings shed new light on common ideas about race, poverty, and drugs and explain why current policies are failing. But while Hart escaped the ghetto, he has not turned his back on it. Determined to make a difference, he tirelessly applies his science to help save real lives. But balancing his former street life with...
