Start with an easy setup, prove that you can make that 4 out of 5 times, and then make the shot slightly more difficult. Keep on pushing the limits as far as the table edges allow. Make a list of your practice requirements for your current skills and identify the exercises necessary. 2. Take the book to the practice table with your donuts and work on owning the shots you selected. Pencil in where your Comfort and Chaos Zones meet on the exercise (and mark the date). Over time, you may need to buy a second book just to keep track of all...
