

Beauty in the Vegetable Garden (Classic Reprint)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

BEAUTY IN THE VEGETABLE GARDEN (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Beauty in the Vegetable Garden Gate lead to many vistas, some unpleasant, some enchanting: we seek gate to something fresher, something finer. In any case, the gate of which we think here leads to a garden, a garden where, among other things, vegetables grow. And it may have been forgotten, in the joy and fascination of coaxing forth the first plants in our garden, that the gate was an old gate, makeshift and unattractive, and that we hadn t been quite as neat as we might have been about clearing away the rubbish, the ashes and old tin cans which were all too obvious to the friends who visited our vegetable garden. The spirit of War Work inspired us to become gardeners. We may have had our doubts and fears at the start; but experience has banished them quite. It was splendid exercise, it was interesting, and there was a new appeal about the home-grown delicacies which graced the table. They surely had a freshness and flavor that vegetables, gathered up, half-wilted, at the corner grocery, couldn t possibly have. A garden is a precious thing. The wonderful thing about it is that it can be made to feed not the body alone but the spirit also. Even a vegetable garden can be made beautiful, possessing a happy at-one-ness with the rest of the home grounds. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy....
