

History of the World the Gods (B/W): According to Hinduism, Buddhism World Mythologies

Filesize: 7.01 MB

Reviews

I actually started out looking at this publication. It normally is not going to cost too much. I am just happy to let you know that this is basically the finest publication i have got read through within my very own life and may be he very best publication for possibly.

HISTORY OF THE WORLD THE GODS (B/W): ACCORDING TO HINDUISM, BUDDHISM WORLD MYTHOLOGIES

[DOWNLOAD](#)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the second book of MythoReligio series author Indy Jane continues compiling stories, this time from Hindu books, Buddhist traditions and world mythologies to gather information to answer the above questions and to continue with the comparison studies. For the world mythologies, she compiles compacted stories concerning the creation of the Universe, humans and the destiny of humanity from representatives of the world 6 continents, i.e. ancient Middle East (Sumeria, Akkadia, Babylonia and Egypt), ancient Europe (i.e. Greece and Germanic/Norse), America (i.e. Maya and Aztec), Asia (China), Africa and Australia/Oceania. Surprisingly, there are so many stories in Hinduism, Buddhism and world mythologies that are similar to the Abrahamic religious stories (i.e. Judaism, Christianity and Islam). Stories such as: the world flood, crucified/sacrificed gods/sons of gods, babies sent afloat in a box in a river that finally become leaders, etc. How did these happen? If some religions/cultures borrowed from each other, then who borrowed from whom? Or did these stories really happen? As in the first book, author Indy Jane is still not sharing many of her thoughts yet, as at this point she is still merely sharing the stories first. Although at the epilogue, she poses many questions that will make you ponder upon the similarities and the origin of all these stories. Further, in the next book she will continue with the stories (or theories) from modern science (among others the Big Bang theory and theory of Evolution) and finally compares them with all the stories that she have compiled and shared with you. The result of this comparison study is truly shocking and may alter history as we know today. *** For more info go to...
