Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

MARTIN SCORSESE

[DOWNLOAD](#)

Cahiers du Cinema. Paperback. Book Condition: new. BRAND NEW, Martin Scorsese, Thomas Sotinel, Martin Scorsese (USA, b. 1942) is among the most prolific of American directors, having made more than 25 features in a 40-year career that has seen him garner all the highest honours the film world can bestow. Since the success of Taxi Driver in 1976, which also marked the start of his long collaboration with Robert De Niro, he has continued to draw endless inspiration from his Italian-American roots in films such as Goodfellas (1990) and Casino (1995). A cinephile director with a strong spirit of independence, he has managed to combine making blockbusters such as Aviator (2004), The Departed (2006) and Shutter Island (2010) with more personal films on the history of cinema (A Personal Journey with Martin Scorsese Through American Movies, 1995) and music (Bob Dylan, The Rolling Stones). He is also admired and respected throughout the world for the tireless work of his Film Foundation in preserving America's film heritage.
