

Spanish Verb Mnemonics: Expanded Edition

By Michael Castille

Createspace, United States, 2014. Paperback. Book Condition: New. Expanded. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Newly expanded, this useful e-book now contains over 500 mnemonics to help you more easily learn Spanish verbs. That's an additional 400 Spanish verbs compared to the first edition for the same price! For each Spanish verb, I give the definition in English, a mnemonic of what the word reminds me of, and then use the mnemonic in a sentence. You probably are already aware that mnemonics can cut down study time considerably and allow you to remember something for years to come even if you don't use it. But you also know that coming up with good mnemonics is time-consuming, which defeats the purpose of using them in the first place. That's where I come in. I do the tedious work for you and all you have to do is use the time-saving mnemonic.

Reviews

Absolutely essential go through book. It can be rally fascinating throgh studying period of time. You wont truly feel monotony at at any time of your respective time (that's what catalogues are for concerning in the event you question me).

-- **Roberto Leannon**

This sort of publication is everything and made me seeking forward and much more. Better then never, though i am quite late in start reading this one. I am easily could possibly get a delight of reading through a created pdf.
