EVES BITE

Howling at the Moon Publishing Ltd, New Zealand, 2010. Paperback. Book Condition: New. 208 x 142 mm. Language: English . Brand New Book ***** Print on Demand *****.Imagine if one day, a la The Truman Show , you woke up to find that everything you believed was the result of a careful manipulation of your life by someone else? What if much of what you believed was a lie? Well, for you, that day has arrived. In an age dominated by Spin , you re about to discover that the best spin campaigns of all are the ones you never even knew about. In the most politically incorrect book ever published in this country, journalist Ian Wishart rounds up a herd of sacred cows, skewering the social engineers and exposing the elites who want your taxes and your children while they laugh all the way to the bank like perverse Pied Pipers. Eve s Bite: Read it before they pass a law against it. WHAT THE CRITICS SAID: Wishart is not afraid in the choice of his subjects: Karl Marx, Nazi propaganda techniques, Charles Darwin intelligent design, Richard Dawkins, the gay rights movement, the safe sex campaign, abortion trade in body parts, the anti-smacking campaign, liberal education, the mainstream media eugenics and islam and the threat to the west. He managed to bring them all together and identifies the relationships between them in a more than just compelling way. Having enjoyed a rather liberal approach to life and society this book was most certainly an eye-opener that made me rethink certain positions. The direct way in which propositions are presented helps in creating effect. Not necessarily to convince you. But to open your eyes to other perspectives so carefully hidden. The book reminds me most of one of Michael Pokocky...
