Brand New Book ***** Print on Demand *****.The saying goes: A hard head makes for a soft ass If that s true then Savannah James must be walking around with a pillow attached to her. After playing children s games with Karma, seeking revenge and being punished for them both by facing death twice. It seems the thrill of playing with Kismet (Fate) still remains and all the lessons that Savannah should have learned from past mistakes were thrown out the window when her absent mother of the last 30 years walked back into her life, ready to rekindle a relationship that never existed. But how long can Savannah cheat her karma without fate coming back to haunt her? Will she ever realize that the apple didn t fall far from the tree and the game she thinks she s uniquely playing with life has an author of the same bloodline? Kismet 2-Some Things You Will Never Understand picks up where the emotional rollercoaster ride of Kismet dropped off except with more twist of conflict and drama, adrenaline rushes from erotic loops and free falling drops from a bumpy romance told like no other. Kismet 2 will cause you to buckle up and hold on tight through this literary ride. Is it Karma or Kismet? You be the judge.
