

Legendary Truths, Peter Lassen His Gold Rush Trail in Fact Fable

Filesize: 5.05 MB

Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

Pronghorn Press, United States, 2012. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Reading the history of California and the gold rush, one continually encounters historic discrepancies and contradictions, especially about the character and ability of Peter Lassen, a prominent California pioneer for whom the Lassen Trail, Lassen Peak, and Lassen Volcanic National Park were named. While prominent pioneers and military officers sought his company, advice, and guidance, others, including some disillusioned, trail-worn Argonauts and even some historians, denounced him and his achievements. Working as a Park Ranger and historian at Lassen National Park, Ken Johnston s curiosity was piqued and continued through twenty years of research that has led to this fascinating account of the life and legacy of Peter Lassen. This is the result of deep research well presented. Readers will be bound to consider the overwhelming evidence and draw conclusions totally vindicating Peter Lassen.-Patricia and Dr. Jack Fletcher, authors of Cherokee Trail Diaries. It has been almost fifty years since anyone published a credible biography of Peter Lassen, one of the West s most interesting pathfinders and characters. Johnston s reevaluation of the legends, myths, misunderstandings, and outright lies about the not-so-wily Dane is a worthy contribution to our understanding of the opening of America s overland trails and the conquest of California.-Will Bagley, author of So Rugged And Mountainous Ken Johnston has succeeded in finding many different extracts from the old-timers records and diaries.together these most important passages give us a magnificent portrait of Peter Lassen and his contemporaries.I read it like I would read a thriller. It is a book not only for history buffs-it appeals to everyone who might have just the slightest interest in the old days. -Rene Weybye Lassen, Denmark, four times...
