## THE ODD ONE OUT

Big Picture Press, 2014. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Surely the trendiest creatures in children's books this year. Teckentrup's multimedia illustrations have the look of silk-screen prints, with color overlays to create a sense of texture. . Looking carefully takes patience and persistence, and children will feel a pleasurable sense of reward when, in the case of those lemurs, they at last locate the one among its hundred-or-so friends with its eyes crossed. The New York Times Online A fun seek-and-find book featuring animals of all kinds. . The brief rhyming text is well paced, making it easy to read aloud, though this will be a one-on-one share rather than a group read. There are many picture puzzle books available, but this one stands apart because of its whimsical illustrations and well-written rhyming clues. School Library Journal In this classic take on a hunt for the odd one out, Teckentrup creates elegant Escher-like wallpapers of prints depicting a varied selection of interesting animals. . Subtle coloration and textures and thoughtfully chosen background colors give the pages a hand-printed feel. Kirkus Reviews Teckentrup asks readers to scan pleasingly patterned images for an "odd one out." . Teckentrup's mod block-print graphics, reminiscent of Laura Ljungkvist's stylized work, present dizzying crowds of creaturesseals, lemurs, penguins, and butterflies among them. Publishers Weekly Online The Golden Age of children's book illustration may have ended in the 1930s, but we are surely living through some sort of extended epoch of graphic excellence in books for small children. How else to explain the profusion of arrestingly stylish books about numbers, colors and concepts? Britta Teckentrup makes a chic contribution to the category with "The Odd One Out," a collection of rhyming puzzles that encourages children to seek and...
