The weather continued dull and unfavorable for observations of any sort, and we were off1 a large glacier before we were aware that further progress near the shore was impracticable. Great chains of bergs presented themselves as barriers in our way, the spaces between choked by barricades of hummocks. It was hopeless to bore. We tried for sixteen hours together without finding a possibility of egress. The whole sea was rugged and broken in the extreme. I climbed one of the bergs to the height of about two hundred feet, and, looking well to the west, was satisfied that a lead which I saw there could be followed in the direction of Conical Rocks, and beyond toward Cape Dudley Digges. But, on conferring with Brooks and McGary, I was startled to find how much the boats had suffered in...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is writter in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
