

The Baffled Parent's Guide to Great Soccer Drills

Filesize: 2.89 MB

Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.
(Prof. Loyce Runolfsson Jr.)

McGraw-Hill Education - Europe, United States, 2002. Paperback. Book Condition: New. 229 x 188 mm. Language: English . Brand New Book ***** Print on Demand *****. One of the most useful soccer books I ve seen - Dr. John McKeon, executive director (retired), National Soccer Coaches Association of America. Young soccer players should be trained in an environment that is safe, fun, and has direct implications for the game. This book has 125 ways to do just that. I strongly recommend it to all parents and coaches - Bob Gansler, head coach, Kansas City Wizards (2000 MLS Champions). Did we say drills ? Sorry, we meant games. That s right. Games that teach them more effectively than the tedious drills you endured as a kid. Games that challenge but do not frustrate them. Games that build rather than undermine a child s confidence and sense of involvement. Great Soccer Drills contains 125 dynamic games and activities designed to keep your players moving, thinking, and most of all, having fun. The games approach to team practices allow you to teach soccer basics like ball control, movement, passing, and shooting while enhancing team communication and decision-making skills. You ll even learn a thing or two about coaching style, and how to make improvement - rather than winning or losing - the goal of your season. Learn creative activities that develop skills quickly and painlessly. Use the Troubleshooting Chart to pinpoint problems. Develop coordination, cooperation, and camaraderie among your players. Design effective practices using the sample practices. Create a positive attitude, build team spirit, and get along with parents. Make practices fun and rewarding. Match practices to age and ability. Since my retirement, I have been coaching youth teams and have found the games approach presented in this book the only way to...
