For the guidance of local health officials the State Department of Health advises that when there has been a marked decline in the occurrence of new cases, although some new cases are still occurring, restrictions may be removed in such places where sanitary conditions are maintained or can be provided and maintained. DIVISION OF ADMINISTRATION. The general administrative organization of the department was not changed during the year. Routine activities of the Division of Administration were carried on as usual. The absence of the Commissioner in military service during the earlier half of the year left the Deputy Commissioner in charge of the department activities. Assistance in the preparation of proposed legislation, notably the Hughes Health Bill and amendments to the Bense act, occupied much attention. Publicity and educational activities carried on in the Division of Administration resulted in a wide distribution of health educational matter over the state, through the newspapers, the Ohio Public Health Journal and the various series of pamphlets issued by the department. The newspapers of the state gave willing co-operation in this, work, DIVISION OP SANITARY ENGINEERING. During the fiscal year the division has been quite active in examination of existing water supplies and sewerage systems and in investigation of proposed improvements. During this period approval of the following projects has been granted: New and additional public water supplies at Bellevue, Bryan, Chardon, East Palestine and Troy; treatment by disinfection...
