Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Chicago Cubs ask Jake Reynolds, a former minor league baseball player and current Certified Public Accountant and Certified Fraud Examiner, to fill-in as the analyst for their radio broadcast of the Labor Day weekend games. He accepts. They then ask him if he wants to play in an actual game. He decides to Play Ball with the Cubs. Is he ready for this? Will he make a fool of himself? Due to the publicity from playing in the game, people ask for his autograph, even during a date. After an autograph session at a Collectors Show, Jake goes on-line to see what they are worth. He sees a few items signed by him, and some with his name, but not his signature. Has he made celebrity status where people fake his Jake autograph? Jakes grandfather gives him some baseballs autographed by Hall of Fame players. He gets them authenticated. One of them turns out to be a forgery. What will he do with this information? Do heels on shoes fall apart? Enjoy. Any misspellings or grammar errors were intentional.
