But that's not the end of it. 100 years have passed since the days of long hair and secret trysts. During that time, Rapunzel has become a queen and a sorceress, learning magic words from the witch who held her captive. Now the girl once called Rapunzel is known as Lady Zel: Witch of the Weald, and mistress of the doorless tower. But her power is fading, and an evil presence threatens the kingdom she once ruled. With little hope, Lady Zel searches for someone to whom she can pass on her Words of Power before they die with her.
