

## Ecology of a Cracker Childhood (15th)

Filesize: 7.54 MB

### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Milkweed Editions. Paperback / softback. Book Condition: new. BRAND NEW, Ecology of a Cracker Childhood (15th), Janisse Ray, A gutsy, wholly original memoir of ragged grace and raw beauty. "Kirkus Reviews" (STARRED) From the memories of a childhood marked by extreme poverty, mental illness, and restrictive fundamentalist Christian rules, Janisse Ray crafted a memoir that has inspired thousands to embrace their beginnings, no matter how humble, and fight for the places they love. This edition, published on the fifteenth anniversary of the original publication, updates and contextualizes the story for a new generation and a wider audience desperately searching for stories of empowerment and hope. Janisse Ray grew up in a junkyard along U.S. Highway 1, hidden from Florida-bound travelers by hulks of old cars. In language at once colloquial, elegiac, and informative, Ray redeems her home and her people, while also cataloging the source of her childhood hope: the Edenic longleaf pine forests, where orchids grow amid wiregrass at the feet of widely spaced, lofty trees. Today, the forests exist in fragments, cherished and threatened, and the South of her youth is gradually being overtaken by golf courses and suburban development. A contemporary classic, "Ecology of a Cracker Childhood" is a clarion call to protect the cultures and ecologies of every childhood."
