I wanted to become the first creator of perfect and painless love. It was my father s fault. Indirectly he forced me, because I loved him too much. Indeed, my father. Can you believe it? I wanted to optimize love by transforming into what you love. Imagine the advantages! Wouldn t it be delightful to adopt the patience of the snake, the speed of the panther, the devilish persistence of the scorpion, or the beauty of the orchid? And imagine absorbing the beauty of a lover? Nut s beauty? For he surely was beautiful. You d reach ultimate perfection. Ultimate love! But how do you do it? How do you turn yourself into what you love? Being a scientist, and brilliant, I had hit upon a scientific method that would allow me to achieve such a transformation. Call it reverse metabolism. These are the words of Andre Junior, a professor who is certain that his mission in life is to prove that reverse metabolism is possible. So certain, in fact, he is willing to kill for it, even eat for it.
